## Liturgical Jottings

### The Eucharistic Prayer

The centre and high point of the entire celebration of the Mass is the Eucharistic Prayer, that is, the prayer of thanksgiving and sanctification. The Priest calls upon the people to lift up their hearts towards the Lord in prayer and thanksgiving; he associates the people with himself in the Prayer that he addresses in the name of the entire community to God the Father through Jesus Christ in the Holy Spirit. The meaning of this Prayer is that the whole congregation of the faithful joins with Christ in confessing the great deeds of God and in the offering of Sacrifice. GIRM no 78

### Prayer of the Week

Lord, it is easy to hold on to hurts and disappointments. Teach me to move beyond these and develop more relationships characterised by your selfless love.

## Focus on the Gospel

The boundlessness of God's love is seen in the fact that God loved us even before we were deserving of God's love. In fact, it was God's love that made us able both to receive and to give love in return. Love is of God; love is God. Divine love is constant and trustworthy. How easily we can think this thought or speak these words, yet how difficult, even impossible, it is to comprehend what it means. We can only really recognise love in its many concrete manifestations. Love is patient, kind and forbearing; it believes, it hopes, it endures. The love of God breaks down the barriers between Gentile and Jew, between slave and free, between the poor and the prosperous, between women and men, between the healthy and the ailing, between young and old.

Embraced by such love we are gradually transformed. We begin to recognise God's love in places we never suspected it would be found. We discover that what we once judged unclean may merely be an unfamiliar openness to God's truth. We discover that our own insistence on legitimate religious practice may really be spiritual elitism. Our eyes are opened to ways we have tried to confine God's love to the conventional boundaries we ourselves have set. As we are drawn into God's love, we eagerly embrace the commandments that help us to live righteous lives. To the extent that we love as universally as God does, we will know that we live in God and that God lives in us.

## Memorable Memorial (St Pancras, 12 May)

St Pancras was born in 289 AD in Phrygia, now in modern Turkey. He was orphaned at an early age and taken to Rome by his uncle, Dionysius. Aged 14 he converted to Christianity after meeting Christians. Roman Emperor Diocletian mounted the fiercest persecutions of the early Church. Pancras announced his Christian faith publicly. He was arrested and then beheaded. St Pancras is now proclaimed the Patron Saint of Children.

## Quotable Quote

There is a wonderful line from the musical, *Les Miserables*, when the hero, Valjean, is told, **'To love another person is to see the face of God.'** As Christian people, we believe that every person is created in the image and likeness of God.

## On the Lighter Side

At the end of a Lenten homily the priest said: "to be a follower of Christ each person must take up one's own cross and embrace it. Immediately a man in the front pew turned to his wife and embraced her."

her children.*

*Look with kindness on these mothers,  
give them comfort in moments of sorrow,  
and joy in their work for their families.*

*Listen to their prayers,  
and bless them in all they do for you.*

and Mary our mother
