Part-time Unit of Clinical Pastoral Education (CPE)

A part-time Unit of CPE will be conducted in Wangaratta in second semester 2018, from 3 July to 21 November. The course will be conducted by the North-east Victoria CPE Centre. CPE is one of the most highly recognised programs of supervised education for provision of spiritual and pastoral care, and is rarely available outside the metropolitan area. It carries extensive credit in tertiary religious and theological study programs. It is highly recommended for anyone contemplating working in pastoral or spiritual care especially in a professional role, or in a volunteer capacity, and also for those working in other helping professions. Flyers are available in the Parish office or we can email one to you.

Passion (Palm) Sunday 25th March, 2018 Year B

Readings for this week:

Isaiah 50:4-7

Philippians 2:6-11

Passion of Mark 14:1-5:47

Readings for next week:

Acts 10:34, 37-43

Colossian 3:1-4

John 20:1-9

Looking at the Readings

By the time the gospel accounts came to be written, it was more than 35 years after the death of Jesus. The Gospel of Mark is now very widely held to have been the first of the four gospels, written in about the year 70 CE. One of the reasons for the writing of the gospels was the fact that those who had walked and talked with Jesus were becoming old and dying. There was a sense of capturing the story before the last eye witnesses were gone. This is very evident in the Passion narrative from the gospel of Mark. One can almost hear an elderly voice dictating the events: 'then this happened ...; then he said ...; then we all thought ...' Like so much of this particular gospel, there is very little embellishment. It's like an old time detective show, 'Just give us the facts!' The gospel of Mark presents the story of the Passion as a sequence of events with little commentary or theological reflection. (That is partly why it lends itself so well to being read by several voices.) One of the best examples that the gospel is a straightforward recollection of events is the inclusion of the scene in Gethsemane when the young man ran away naked. No storyteller would create such a bizarre, unexplained event.

Blessing of the Holy Oils

The Chrism Mass for 2018

will be at the Sacred Heart Cathedral on Tuesday, 27th March, at 11.00am.

Parking around the Cathedral can be limited so please allow time to find a suitable park in the nearby streets.

If you have a disabled person or one of limited mobility, you are welcome to drive in the cathedral driveway on the McKenzie Street side to leave your passenger near the North Transept door where there is a wheelchair-friendly entrance (no steps). You will then need to find a suitable car park outside the cathedral grounds.

All parishioners of the diocese are warmly invited to this very significant Mass.

HOLY WEEK is the highpoint of the Lenten season. It opens with the procession with blessed palms and the gospel reading of the passion and death of our Saviour. The triumphal entry into Jerusalem ended on Calvary but we know that Good Friday led to Easter Sunday. The biblical readings and prefaces extol the virtue of conversion of life, the need to fulfil our baptismal promises, joyful acceptance of daily trials for the love of God and unselfish service to all who need our assistance.
